BRITISH CLOSING IN ON PERONNE

CITY VIRTUALLY ENCIRCLED BY ALLIED ARMIES WHO CONTINUE TO ADVANCE

FRENCH PENETRATE BETWEEN NOYON AND HAM AND ADVANCE RAPIDLY TOWARD CHAUNY RAILROAD CENTER

MT. KEMMEL REPORTED CAPTURED

By United Press

British troops have captured Mt. St. Que and are now one mile north of Peronne, it was learned this afternoon. The city is practically surrounded.

The French have advanced from east of the Ailette river and have reached the wood about one-half mile from Courcy-Le-Chateau.

In the north the British are reported to have occupied Kemmel Hill, the principal bulwark in the northwestern portion of the Flanders salient which the Germans captured months ago after one of the bloodiest battles of the war.

French troops are reported to be near both Guiscard and Chauny. An unconfirmed dispatch said that Guiscard had been taken. Americans operating with French forces have launched a big drive between the Ailette and the Aisne, smashing eastward along the northern bank of the Ailette simultaneously with a northward push toward Courcy-Le-Chateau. Senators whom General March talked with today in Washington view with significance the statements which they attributed to him, to the effect that Americans have been gradually withdrawn from British and French brigades. Practically all Americans are operating independently of their Allies. The purpose of the withdrawal has not been revealed. Many American officers, however, are known to be strongly in favor of a hard smash by the Americans along the line which is nearest the German border.

(United Press Staff Correspondent)

Paris, August 31, 4 p. m.—Pushing east of the Ailette river there is violent fighting. The enemy is unable to resist the Franco-American push. (This is the first intimation that American troops are fighting in this sector. The first Americans to enter the present Picardy drive are engaged about 4 miles to the southward.) The bridge head at Champs, 4 miles northwest of Courcy-le-Chateau has been consolidated. The French are near Folembray, 2 miles east of Champs. They are advancing northeast and are half encircling Courcy-le-Chateau. They have approached within one-half mile of the city.

Paris, August 31, 10.10 a. m.—French troops are reported in the vicinity of Guiscard, the important town lying about midway between Noyon and Ham. They are also approaching Chauny, the great railway center, 10 miles east of Noyon.

(By United Press)

London, Aug. 31.—British troops are advancing along practically the whole of the Flanders front, General Haig reported today. They have progressed from one to two miles on two fronts, one of nine miles and one of three miles. In the northern section the Granoutre-Bailleul railway station and Mont De Lille have been occupied. The British there are advancing from the vicinity of Kemmel Hill southward to near Neux-Berquin. Neuve Chapelle and Les Dren have been occupied and other sectors.

Australian troops are attacking in the direction west of Peronne and on the northern bank of the Somme. In the Arras region troops have occupied Eterpigny and are advancing along the Arras-Champagne road. British troops have made satisfactory progress north of the Scarpe in the past 24 hours, it was learned today.

They firmly held Flouvain and have occupied 1,000 yards of the German front lines north of Arleux-en-Gohelle.

GOOD CITIZEN DIES

Philip Marino died at his home on Daisy street at 4 o'clock this morning as the result of an illness of many months duration.

The deceased was a native of Italy and came to Clearfield some 18 years ago. He was a sober, industrious man and a good citizen at all times. He engaged in general contracting until of late years when his health began to fail and then engaged in the mercantile business. Establishing himself in a small general store opposite the Pennsylvania station he conducted same with some degree of success until compelled to retire on account of illness. He was upright in his dealings and possessed a wide acquaintance and many warm friends throughout this section.

He leaves to mourn the loss of a devoted husband and father, a widow and several children.

He was a devout member of St. Francis Catholic church and his funeral will be held from that church Tuesday morning at 9 o'clock. Interment in Hillcrest cemetery.

ARRIVED OVERSEAS

Daniel Barger of the Third ward has received a card from his son Ernest C Barger which stated that he had arrived safely overseas He is in the quarter master's department of the U. S army.

COAL PRODUCTION IN THIS DISTRICT WAS INCREASED

Prouction in Central Pennsylvania for the week ending August 24th was increased by 90,331 tons. Production for the week ending August 17th was 1,215,744 tons and for the week endinf August 24th 1,306,075 tons.

The campaign to increase production in Central Pennsylvania is developing in splendid shape and the miners and operators everywhere are appointing their committees to represent the fuel administration at each colliery.

Mr. O'Neill and Mr. Barrett, production manager and assistant production manager, are meeting with splendid cooperation from thousands of miners and nearly all of the operators. They are meeting with a little opposition from the pro-German and the I. W. W. elements in a few sections. This is to be expected for this element has endeavored to obstruct the government in every manner possible since the war began. It is expected as the campaign is organized and developed that the miners and operators working loyally for their government to assist their sons and brothers in France, will be able to learn who this class among the miners and operators is, and after the proper evidence has been secured the department of justice will take hold of the matter and deal with these traitors in the same manner as they have dealt with them in other industries.

The loyalty of the industry cannot be questioned except in these few isolated instances. The remarkable showing last week was the best testimonia of loyalty and patriotism of the great rank and file of miners and operators.

The car situation has improved in Central Pennsylvania and adjustments have been made in a number of instances where mines with an inequitable distribution of cars as against other mines in that vicinity has been adjusted to the satisfaction of everybody.

HUNS BOMB RED CROSS TRAIN

Washington, Aug. 31—Bombing of a hospital train of 16 cars by German aeroplanes near the Belgian frontier was reported in Red Cross cables received today. Many of the doctors and nurses lost all their personal belongings and in many cases their surgical and medical kits. The latter were immediately replaced by the Red Cross. No mention was made in the cable of casualties.

ABUSE OF CREDIT IS SUBJECT OF CIRCULAR LETTER

New York, Aug. 31—A request that merchants and manufacturers reduce their credit requirements during the war was made in a circular letter issued by the Federal Reserve bank of New York today. It suggests:

That merchants and manufacturers not over buy;

That they carry as small stocks as possibe;

That they postpone new construction and business expansion;

That they practice business economy and that individuals practice rigid economy and thus assist merchants and manufacturers.

Banks are asked to save their credit "which means that customers must use less of it." "Saving to reduce loans," the circular says, is as patriotic a service as saving to buy Liberty Bonds and War Savings Stamps.

COMMUNION SERVICES AT 11TH STREET M. E. CHURCH

Communion services will be held at the Eleventh street Methodist Episcopal church tomorrow morning at 10 30 o'clock.

By United Press

Paris, August 31.—Violent artillery fighting between the Ailette and the Aisne where Americans are fighting and along the Northern canal was reported by the French war office today. There was sharp artillery fighting last night in the North Canal region and between the Ailette and the Aisne, the communique said. German raids in the Champaigne region were unsuccessful.

LIEUT. GEO. B. KIRK INVALIDED HOME FROM FRANCE

Lieutenant George B. Kirk, the Kylertown physician who was one of the first of Clearfield county's physicians to volunteer for service in France, is now at home on thirty days' "sick leave" incapacitated thru eight months of intensive service at the front, returning by transport in just fourteen days after he left France. While Dr. Kirk will not be retained in thee sevice in this country during the period of the war if his health is restored sufficiently to stand the strain of army work, otherwise he will be retired or discharged from the service. Lieutenant Kirk prizes beyond measure letters of commendation of his excellent services, given by his superior officers. Living in a community having two physicians where he felt that one could do the work for the time being and keenly realizing the great need of physicians in France, Lieutenant Kirk hastened to volunteer a year ago, spent four months in the camps of this country and then left with an Army ambulance Corps for France. The measure of his patriotic impulse may be realized when it is known that a wife and four children were left behind him.

FRACTURED HIS KNEE CAP

William Waring a long time faithful employe of the Gearhart & Wrigley planing mill fell this morning and fractured his knee cap by a fall at the mill this morning.

Dr. Wilson was called and had the injured man taken at once to the Clearfield hospital where the fracture, which is a particularly severe one was reduced and the patient made as comfortable as possible.

Mr. Waring is in his 80th year and on account of his age the injury is regarded as quite serious.

WILL MAKE IT HOT FOR THE SHIRKERS

Harrisburg, Aug. 31—"I am going to make it hotter for the shirkers at home than our soldiers are making it for the Hun on the western front," said State Employment Director Jacob Lightner today in a letter to Mayors and Burgesses in 44 central counties of Pennsylvania. The Burgesses and Mayors in the principal towns in these counties are asked to send to Lgihtner the names of those chronically disinclined to labor. They will send every man a letter urging him to go to work. Later a Federal agent will look him up to see what he is doing.

FAREWELL PARTY TO NURSES LAST NIGHT

Mr. and Mrs Al Cowdrick, whose daughter Mae is one of the number, gave a farewell party to the four army nurses who volunteered their services to their Uncle Sammy and leave tomorrow for the Base Hospital at Azalea, North Carolina for brief preliminary instruction before sailing for army duty in France. The handsome Cowdrick home on South Second street was handsomely decorated for the occasion in red, white and blue, "old Glory" occupying the honor place throughout.

It was a particularly happy occasion and was enjoyed by the young ladies and their friends present. Delicious refreshments were served and at the conclusion of the affair all departed for their homes after congratulating the four young ladies on their patriotism and wishing them Godspeed on their journey to new adventures and a safe return home when their mission is accomplished.

IMPORTANT COMMITTEE APPOINTMENT

Samuel Toney, Nichola Maiale, Charley Michell and Joseph Natoli have been named by the local Selective Service Board as a committee of assistants to the different registration boards of the county in locating and registering under the new draft law all Italian citizens and aliens of Italian birth.

This committee received their authorization yesterday and will begin their work at once and expect to have every Italian properly registered when registration day arrives.

PRESIDENT SIGNS NEW DRAFT LAW REGISTER SEPT. 12

Washington, Aug. 31.—President Wilson today set September 12 as the day upon which thirteen million Americans shall register for America's greatest draft. This assurance to prepare for service includes all males between the ages of 18 to 45 inclusive excepting those who have previously registered. Out of this great reservoir it is estimated about 2,300,000 men will be available for Class 1, the first to be called to arms. Some of these will be called as early as October 1st, as some officials estimate that the present Class 1 will be depleted then. The President's proclamation today was issued immediately after he had signed the great Man-Power Bill, thus making a law the bill which is counted on delivering America's victory army to France by next July.

This draft includes all who have not reached their 46th birthday by September 12.

7.45 Woodland.

Would there have been any one at your church on last Sunday evening if all would have been like you? Think.

A joint birthday party was held at the home of Mr. and Mrs. C. L. Wolfe on Wednesday, August 28th in honor of the latter's mother, Mrs. James K. Turner, and Mrs. R. W. Francis. Many out of town guests helped share this happy event. We hope these two ladies will both live to see many more of these yearly occurances.

KARTHAUS YOUNG LADY SUCCUMBS TO PNEUMONIA

Miss Helen, the beleoved daughter of Mr. and Mrs. J. S. Briel of Karthaus, passed away at the Clearfield hospital at 10:30 o'clock last evening following a week's strenuous battle with death.

Miss Briel underwent a serious operation on Monday last and appeared to be getting along finely until Wednesday evening when she suddenly collapsed and since that time had been hovering between life and death. On Friday bronchial pneumonia developed and the weakened system being unable to withstand the devastating inroads of the diseaese, the end came peacefully at the time stated.

The deceased was an exceptionally bright and amiable young lady, whose charming manner and winning personality made staunch friends of all who knew her, while she was the especial pride and joy of her parents and brothers and sisters.

She but recenty rturned from St. Joseph's convent at Titusvillee, where she was an honor student and general favorite. In addition to her feminine charms and accomplishments the deceased was an athlete and devoted much time to outdoor life and sports.

She was the youngest of a large family and her untimely death just as life, with its vast possibilities was opening for her, comes as a heart-crushing blow to her loved ones, who have the sympathy of their large circle of friends in their sorrow. She was a devoted member of the Catholic church and passed out of life into eternity fortified with all the rites and consolations of her church.

She is survived by her parents, six sisters and two brothers.

The funeral will be held at the Frenchville Catholic church Tuesday morning at 10 o'clock. Interment at Frenchville.

A BRITISH VETERAN CHIEF SPEAKER AT PARK ON LABOR DAY

The Chairman of the Four Minute Men for Clearfield County, Joseph E. Phillips, has received the following telegram from the state secretary.

"Captain Vint of the British artillery will speak at Clearfield for your Labor Day celebration. Captain Vint is a fine speaker and has just completed a speaking tour through the southern part of the United States. He saw three years active service on the western front."

Thus Clearfield's Labor Day celebration will be a real event and Captain Vint will certainly give everybody their money's worth.

One of the chief features on Labor Day at the Clearfield Driving Park will be the exercises attendant on the flag raising. A flag pole towering one hundred feet in the air has been erected and a flag will be raised to the top during the afternoon with appropriate exercises. The chief speaker will be a returned United States soldier who is being sent here for the occasion by the State headquarters of the speakers' bureau connected with the Council of National Defense. This Yank, who has been through the mill over there, has a story to tell which all patriotic Americans should hear and everybody should make it a point to be present Monday afternoon and hear this address.

In addition to the soldier speaker other capable speakers will also address the audience.

The motor cycle races, band concerts and many other features will also be a part of the afternoon's program. Don't miss it.

Several speakers of national prominence are to be heard today at the second day's sessions of the American Bar Association convention at Cleve-

NURSES' FAREWELL RECEPTION TONIGHT

The following program will be carried out at the farewell reception to be tendered the four Red Cross nurses and three selective service registrants at the court house this evening beginning at 8 o'clock:

Invocation: Mrs. A. B. Weaver.

Singing of "The Star Spangled Banner" by the audience, led by the Liberty chorus.

Address, Mrs. A. H. Woodward.

Solo "Here's to the Red Cross Nurse, The Angel of No Man's Land" by Mrs. E. C. Reeve.

Roll call

Song by the Liberty Chorus

All the members of the Surgical Dressings committee are requested to meet in uniform at the Red Cross headquarters in the Murray building at 7:45 p. m. sharp for the purpose of attending the reception in a body.

Every member should consider it their patriotic duty to be present on this occasion.

In actual number of nurses enrolled with the Red Cross since the United States entered the War, the States of New York, New Jersey and Connecticut led on August 1st, according to a statement just issued from American Red Cross Headquartrs. These three states, constituting the Atlantic Division of the Red Cross, has assigned to war duty 2,600 nurses or 45 per cent of their allotment of 5,708 nurses by January. To supply their full quota of 27,000 nurses which the Red Cross is Endeavoring to recruit by the end of the year, these three states in the next four and a half months must enroll 3,108 additional graduates of recognized training schools for nurses.

The total number of war nurses assigned by the Red Cross to war service from the time the United States entered the war until August 1st, was 13,347. The Red Cross is conducting intensive nurse recruiting campaigns throughout the United States to secuer for Surgeon General Gorgas 8,000 additional nurses by the 1st of October and the remainder of the 27,000 before the New Year.

Pennsylvania's allotment of nurses is 2154. Of this number there were assignments reported up to August 1st of 302 or 60 per cent. of the required number. Thus it will be seen the Keystone state has thus far fallen 40 per cent. behind in this important particular.

SATURDAY EVENING, AUGUST 31, 1918.

WHY FIVE O'CLOCK

The committee in charge of the community flag raising for Clearfield have very wisely chosen September 28th for the event but a storm of protest is heard from every side over the hour set for the exercises. If the hour remains as set by the committee it is safe to predict that ninety per cent. of the peopleof Clearfield will be barred from attending. The hundreds of men in industrial plants will be unable to get around at that time. Housewives will be getting the evening meal ready and a thousand other little things will interfere with people getting out at that time.

We venture to say that there is not a person in Clearfield who does not look forward with pleasure to being present to take part in this event and while it is impossible to set an hour that will be entirely suitable to everybody it would seem that there could be an hour set that will be suitable to more people. We will grant that it will be hard to select a suitable hour on Saturday evening, as the stores will be open and the hundreds of store keepers, clerks, etc., will be unable to get out before nine o'clock but as it will be a simple matter to light the public square, why not have it at nine o'clock so that everybody can be there.

The great Fourth Liberty Loan starts on that date. Let us have this flag raising at such an hour that every man, woman and child in Clearfield can start the great campaign rolling.

THE ORIGIN OF ROAST PIG

A large percentage of us remember the old Fourth Reader story of the origin of roast pig but for the benefit of those who never read that story we might preface our further remarks by reciting a synopsis of the story. The scene is China; the principals are father, son and a pig in a burning building which housed the Chinese family and the family pig. While the father was bemoaning the loss of his burned hut, the curious little Chinee poked his fingers into the smoldering embers and accidently came in contact with the burned pig now nicely roasted amid the straw on which he laid. Now we all know the natural bent of a youngster and that natural bent brought him to a realization of the delicacy of roast pig and his discovery has been handed down to the present generation.

Now, had that little Chinee lived in the vicinity of the dumping ground between the B. R. & P. tracks and the river at Market street, we have no doubt that his delicatessan discoveries would have been voluminous enough to fill a modern edition of a bride's cookbook, for judging from the odors coming from the burning refuse there is enough food, according to the Chinese custom, going to waste there to make buillion cubes for the supply of the world, to say nothing of concentrated soups of the Campbell and Heinz varieties.

The Progress cannot and does not pretend to exercise poilce powers over our city but it is glad to voice the complaints of the citizens of the city and complaints have been very frequently made about this condition to which we refer. The signs recently posted on the grounds have not had the desired effect. Only last night somebody dumped a bushel or two of rotten tomatoes there to stink and burn to the torment of the people having beautiful homes on the terraces above. People coming to our town over the B. R. & P. should not have to wear a gas mask to get through those fumes and nauseous odors. A complaint is to be made to council on Monday evening at their regular meeting and meanwhile those who have thoughtlessly been polluting the air with these rots and spots should be hunted out and persecuted.

"THE LAND OF LETS PRETEND" ABOUT READY FOR SHOWING

Colorful, tuneful, joyous and delightful, teeming with beauty, laughter and vivacity a quick succession of novelties and surprises of the sort that picks up an audience and carries it with every action is "The Land of Lets Pretend".

While music and dancing are leading features of this big musical revue, that lacks a great deal of being all there is to it. You would not think so if you saw the massive settings and the variety of entertaining features that make up a wonderfully entertaining program of satisfactory duration. You can also realize that "The Land of Lets Pretend" is a big show from the number of people taking part, including many local favorites known to the theatre going public of Clearfield which assures this magnificent revue a splendid reception and capacity audience at the Driggs' Theatre when it is presented inthe middle of September. And capacity audiences will no doubt be on hand and they will undoubtedly find the entire production far superior to any local entertainment ever given in Clearfield. It is certainly in a class by itself; it is really hard to know where to start writing about this big production.

15-Piece Orchestra

An orchestra of fiftee npicked musicians will render the tuneful score of the revue. There are also solo dances, singing and dancing specialties, and an ensemble of over 200 concerned in the making of this revue, so it must be far ahead of the ordinary local entertainments given here. It is a great big musical comedy, a vaudeville show and a beauty contest. Superlatives can be used without being superlatives. It is all that one can say for it, and the man or woman who cannot find in this revue something that is better than anything else ever seen here will surely be missing from among the firstnighters. One could go on writing of "The Land of Lets Pretend" to a length that is far beyond the bounds here permitted and yet not say enough of the production, of the beautiful girls, the lively characteristics of the whole troupe, of the songs, and of the hundred of other things that seem to be crowded into the space of two acts. It is too hard in this short space to select all the members of this big company who are deserving of mention, but from time to time the names of those participating will be published.

At New Driggs Theatre

In short the keen appreciation of Americans for the success summed up and heartily expressed in the little phrase "make good"; and all those taking part in this production have delighted Clearfield theatre-goers with their acting, singing or dancing and no doubt a whole army corps of us will be on hand at the New Driggs Theatre to welcome our favorites once more and this time in a really, truly, splendid production. Do not confound the date of "The Land of Lets Pretend" with other theatrical offerings for this month.

Mr. Shuter Recommended

Owing to the fact that there has been a great deal of discussion pro and con relative to the Navy League's forthcoming home talent production to be given in September, it is only just to Mr. Shuter, the producer, to state that he has met us on every point and has put forth untiring efforts at rehearsals. The Navy League receives 60 per cent. of the gross intake and the entire proceeds derived from the advertising space sold in the programme and all monies derived from the selling of the programmes, this should total over 75 per cent. in all. Before we engaged Mr. Shuter we made careful inquiries regarding his responsibility. In Philipsburg Mr. Shuter was first engaged to stage "The Liberty Minstrels" and it was such a success from every standpoint he was approached and a contract entered into to produce "Hello Uncle Sam". The Philipsburg committee who had charge of the latter informed me that they were perfectly satisfied with the production and monies derived; that it was the best one ever given in Philipsburg and that Mr. Shuter "was a gentleman of the highest caliber in every respect and an expert in his line such as is rarely found". We also quote an open letter from "The Sunshine Society" of Altoona, where Mr. Shuter recently produced his "Hello Uncle Sam" with marked success.

COMMITTEE.

TO WHOM IT MAY CONCERN:

I take great pleasure in recommending the bearer, Mr. Mortimer Shuter, to any society, lodge or organization of any kind who may be in need of funds with which to carry on its work.

Recently our society was fortunate enough to secure Mr. Shuter to put on a Home Talent—A Musical and Patriotic Revue—entitled "Hello Uncle Sam". We played it, in our best theatre, for three consecutive nights to capacity houses. It made a decided hit and we were more than gratified with the splendid results.

We found Mr. Shuter to be thoroughly honorable, honest and conscientious and I earnestly commend to anyone interested in his line of work.

NEWS OF OUR NEIGHBORS

CURWENSVILLE

A little son of Earnest Post, who was operated on at the Clearfield hospital early in the week for adenoids, is getting along finely and will soon be well again.

Chas. Wall is having erected on the end of his Thompson street lot a handsome and convenient white brick garage.

It was reported that Mrs. Robert Shaffer was taken to Clearfield hospital last evening for an operation.

Curwensville merchants have agreed to close their places of business from 12 o'clock noon until 6 o'clock p. m. on Monday, Labor Day.

S. C. Kirk, who has been employed as a bookkeeper at the Bickford fire clay plant, has resigned and has accepted a position with the Hiram Shwanis Co., operating at Irvona.

Rev. S. C. Watts was unanimously chosen president of the Clearfield County Sabbath school association held at Houtzdale this week. Mrs. S C. Watts, his wife, was elected to the office of corresponding secretary.

It seems to many who have observed it, that if a lot of farmers who spend most of their time in town peddling roasting ears and apples, would stay at home and get in their crops, there would not be such a hue and cry about scarcity of farm labor.

Curwensville Liberty chorus are preparing to give a concert, the proceeds of which will be turned over to the Red Cross.

Robert Russell and George Whittaker went over to DuBois to bid farewell to Edwin Hoyes who was among the recent contingent who left for Camp Lee. His father remained with his son until the last hour.

Mrs. James Reid, of Bloomington, was the guest of Mrs. J. G. Fullerton Thursday.

A daughter was born to Mr. and Mrs. Dewey Hummel at their home on Bloomington avenue Tuesday evening, August 27.

Mrs. Chas. Anderson and daughter Miss Louisa, were shoppers in Clearfield Tuesday.

Mr. and Mrs. J. G. Fullerton were guests in the home of Mrs. D. E Reid, yesterday, the latter named being a sister of Mrs. Fullerton.

Ellis Cook, who has been driving the large ice motor truck for Alonzo Ammerman, resigned his position yesterday. Ice patrons will surely miss his genial good morning smile along his route.

Mrs. Ned Bloom and two daughters, of New Bethlehem, Pa., are visiting in the home of Mrs. Bloom's parents, Mr. and Mrs. George Fleming, on Bloomington avenue.

Mrs. Penbose, of Clearfield, is spending a week in the home of her daughter, Mrs. Abe Reid, at Glen Richey.

Miss Margaret Evans has returned home after a brief visit with relatives at New Bethlehem.

Miss Priscilla Heath of Sandy Ridge, who spent some time with relatives on Bloomington avenue, returned to her home yesterday. She was accompanied by her girl friend, Miss Mary Ammerman, who will be her guest for a week or two.

Mr. and Mrs. Dave Reid, a son of James Reid, have gone to housekeeping in Glen Richey.

The new flag recently raised to the top of a high pole at Bloomington was almost entirely destroyed by the heavy storm of Thursday night. The main body of that emblem was torn in strips almost its entire length

Mr. and Mrs. Schlappi who were summoned to New York state last week on account of the serious illness of Mr. Schloppi's brother, returned to their home here yesterday

Mrs. James Spence has been a resident of Curwensville 48 years. She is now in her 80th year and is more spry on her feet than many women in the fifties. She can note and recall many changes in this town during her sojourn here, and she says that the present population is a new set of people entirely from the ones living here when she arrived.

The 31st annual reunion of the "Old Bucktail" regiment will be held at Warren on Monday and Tuesday, Sept. 16 and 17th.

Curwensville ball team will play at Clearfield on Monday. The Crescent band will also spend the day at the County seat.

Mr. and Mrs. Wm. Bunnell have received word of the safe arrival of their son, Clarence, over seas. Wm. E. Bunnell, another son, who has just finished an enlistment in the U. S army, was recalled to the service August 9th and is stationed at Camp McClelland, Ala., where he will be chief drill master.

Twelve Tire Tests No. 10

This series of twelve tests is designed to take the uncertainty out of tire buying.

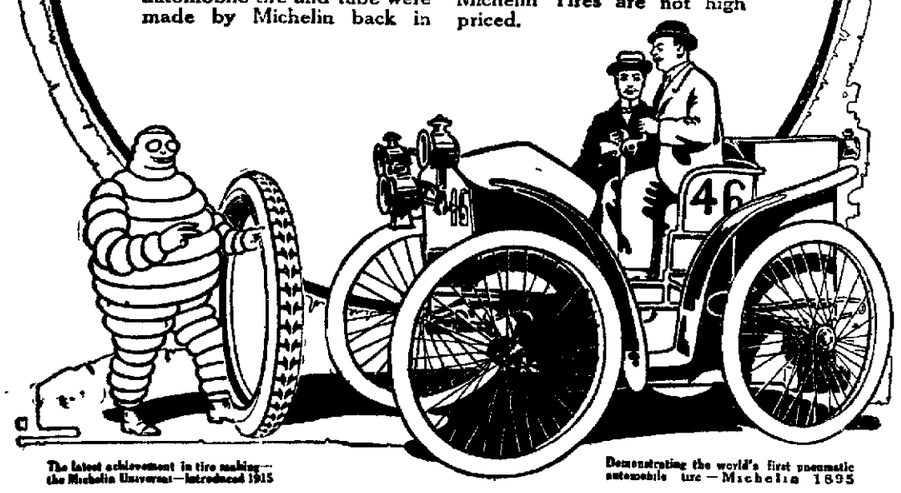
Experience

IN previous talks we have shown you that the durability of a tire depends on the quantity and quality of the materials used; and we have already shown you how to determine the **quantity.**

But you cannot gauge the **quality** of rubber and fabric in a tire simply by looking at it. You must be guided by the experience and reputation of the tire maker.

The world's first pneumatic automobile tire and tube were made by Michelin back in 1895. Since that time the House of Michelin (founded 1832) has concentrated on the production of pneumatic tires only, and today has factories in the United States, France, England and Italy, with selling branches in every corner of the world. Thus the scientific brains of the entire globe have been and are at Michelin's disposal.

More and Better Materials is the Michelin watchword Yet Michelin Tires are not high priced.



The latest achievement in tire making—the Michelin Universal—introduced 1915

Demonstrating the world's first pneumatic automobile tire—Michelin 1895

Built In An Honor Factory

Not only built on honor which means the conscientious effort of America's best automobile designers and engineers but built in our own factory—all under our own roof.

Exceptional Performances

Extraordinary "stunts" that the other fellow crows about are all in the day's work with a Nash. You get accustomed to the ease with which the Nash does the apparently impossible that it takes something out of the ordinary to focus your attention on the act.

SUNDAY SCHOOL LESSON

(By Rev. P. B FITZWATER, D. D., Teacher of English Bible in the Moody Bible Institute of Chicago.)

(Copyright, 1918, by Western Newspaper Union.)

LESSON FOR SEPTEMBER 1

SOME LAWS OF THE KINGDOM OF GOD.

LESSON TEXTS—Luke 6 30-38, 21 1-4.

GOLDEN TEXT—Remember the words of the Lord Jesus, how he said, it is more blessed to give than to receive.—Acts 20. 35

DEVOTIONAL READING—II Corinthians 9 6-15

ADDITIONAL MATERIAL FOR TEACHERS—Luke 16 9, Romans 12 8; II Corinthians 9 6-15; Hebrews 13 16; Ezra 1: 2-4; I Chronicles 29 1-5.

The principles of ethics which shall prevail in the earth when Jesus Christ shall be king are entirely different from those of the world. The worldly spirit always inquires as to what gain will accrue from an action or service. Its policy is doing good for the sake of getting good. Those who have been made partakers of the divine nature, who are really subjects of the kingdom, do good because they have the nature and spirit of God, not because they expect something in return.

I. Give to Every Man That Asketh of Thee (v. 30).

This does not mean that any request that may be made by the idle, greedy and selfish should be granted. Only evil would result from such indiscriminate and unregulated giving. Such benevolence would foster idleness and selfishness. Oftentimes the worst thing you can do for a man is to give him money. The drunkard will only spend it for more drink; the gambler will continue his dissipation. The meaning then is, give to the one asking the thing which he needs. The man in poverty needs to be given a way to earn his living, rather than to be given money without the necessity of labor. There is that in the human heart which refuses charity, and cries out for a means to honestly gain a livelihood.

II. Of Him That Taketh Away Thy Goods, Ask Them Not Again (v. 30).

"Ask" here means demand. It doubtless forbids the forcible demanding of the return of that which has been taken from one.

III. Do to Other Men as You Would That They Should Do Unto You (vv. 31-34).

This ethic puts life's activities on the highest possible ground. He does not say, refrain from doing that which you would not like to be done to you, as even Confucius taught; but to positively make the rule of your life the doing to others as you would wish them to do unto you. Loving those who love us, doing good to those who do good to us, and lending to those from whom we hope to receive, is just what all the sinners of the world are doing. The child of the kingdom of Christ is to be different.

IV. Love Your Enemies (v. 35).

That which is natural to the human heart is to hate the enemy. To love in the real sense means to sincerely desire the good of even one's enemy and willingness to do anything possible to bring that good. Such action is only possible to those who have been born again. Christ loved those who hated him. He was willing even to die for his enemies.

V. Lend, Hoping for Nothing Again (v. 35).

This is what the Heavenly Father is constantly doing. He is kind and gracious unto the unthankful and the wicked. He sends his rain and sunshine upon the unjust and sinners. He makes fruitful the toil of those who blaspheme his name. He thus does because it is his nature to so do.

VI. Be Merciful (v. 36).

The example for the imitation of the disciple is the Heavenly Father.

VII. Judge Not (v. 37).

To judge does not mean the placing of just estimates upon men's actions and lives, for, "By their fruits ye shall know them." The tree is judged by the fruit it bears. The thorn tree does not bear figs, nor the apple tree bear grapes. Our only way of discerning the character of men and women is their actions. That which is condemned is censorious judgment—the impugning of motives.

VIII. Condemn Not (v. 37).

This means that we should not pass sentence upon men for their acts, for to their own master they stand or fall (Rom. 14 4). The real reason why such action is not warranted is that the bias of our hearts and the limitation of our judgments render it impossible to righteously and intelligently pass judgment.

IX. Forgive (v. 37.)

Those who forgive shall be forgiven. The one who has realized the forgiving mercy of God will be gracious and forgiving toward others.

XI. Liberality Determined by What Is Left (Luke 21:1-4).

The rich cast into the treasury much, but it was from their abundance. The poor widow cast in all that she had; there was nothing left. God estimates a gift by what one has left, not by the size of the gift. To give the widow's mite is to give all. For the millionaire to give the widow's mite would mean for him to give his millions.

Genius and Taste.

To say nothing of its holiness or authority the Bible contains more specimens of genius and taste than any other volume in existence.—Landor.

Increased interest in the raising of Belgian hares and other rabbits is noted throughout the state.

Gossip for Tonight's Tea Table

Mr. and Mrs John Leigey of Daisy street received a card that their son Urban had arrived safely over seas.

Rev. M. A. Ryan and sister, Miss Annie Ryan, and J. H. Roessner have returned from Newburgh, N. Y., where they accompanied Miss Alice Ryan to her home there. While away they stopped at Niagara Falls and other points of interest.

Mrs. Karl A. Fleming of Washington, D. C. is here visiting her mother Mrs. Rebecca Ceutaia, of Pine street.

Mrs. Lynn Stewart, of Curwensville attended the farewell party given the volunteer nurses at the home of Mr. and Mrs. Al Cowdrick last evening.

TRINITY METHODIST CHURCH

The usual order of services will be resumed at Trinity Methodist church tomorrow. The pastor, Rev. Wilham W. Hartman, returned last evening from his vacation and will preach Sunday morning and evening.

The Sunday school meets at 9.30 a. m. and it is expected that there will be a large attendance, now that vacation time for most folks is past.

The Epworth League service at 6.45 p. m. will be in charge of the president, John C. Arnold, and all Leaguers are urged to be present.

To all the services of the church the general public is most cordially invited.

INFANT LENORE MARSHALL

Little Lenore Marshall aged seven years, 8 omnths and 1 day died Sunday at 1:15 a. m. following an operation.

The funeral which was held from her home Wednesday at 10:00 a. m. and conducted by Dr. Barb of the Grace Lutheran church was largely attended.

The floral tributes were many and beautiful. Little Lenore was a daughter of Mr. and Mrs. Chester Marshall of Jeresey Shore and a granddaughter of Mr. and Mrs. C. H. Graham of this place.

She is survived by her parents and one sister.

LABOR DAY SPEAKERS

The patriotic meeting at Bigler on Labor Day will be held on the Bigler camp meeting gorunds under the auspices of Bigler auxiliary of the Red Cross. The speakers will be Cortes Bell and A. R. Chase, Esq.

Special Opening Display of The New Fall Dresses .....Saturday.....

Slender, Graceful Lines and The Extreme Length of Skirts Are The Dominating Feature of The New Fall Dresses

The silhouette is again the favored feature among the Fall dress styles and this will unquestionably appeal to every woman. Aside from this, the extreme length of the skirt, which in many cases are but three to four inches from the ground and rarely or ever higher than six inches from the ground, is entirely NEW.

Probably one other feature of the new dresses that will strike you immediately is the fact that few, if any, have collars. As a matter of fact, the neckline is cut severely plain.

The sleeves are wide and loose, while the trimmings are silk, cloth embroidery and fringe, as well as buttons, braid, bead embroidery and lace.

Satins are undoubtedly the most popular of the favored materials used, while in the dresses made of cloth, navy blue is, of course, predominant.

..THIS SUPERIOR COLLECTION OF NEW SERGE.. DRESSES AT $19.75

Four of the newest styles to select from. The serge is of an unusually superior quality, in a belted model and has braided sleeves. The waist has a vestee effect as well as other ideas. The skirt in most cases is plaited and falls gracefully.

We shall not describe the other models. Why not come to the store and try them on?

Other serge dresses in the new Fall models at $22.50 to $55.00.

BEAUTIFUL NEW FALL SILK DRESSES FROM $17.50, $19.75, $22.50 up to $65.00

Handsome dresses of satin, georgette crepe and satin combinations, crepe meteor and crepe-de-chine. A splendid collection to cohose from.

JERSEY DRESSES FROM $17.50 to $47.50

Jersey dresses are very popular this season, a wonderful collection are shown here in all the new plain shades.

BRITISH CLOSING IN ON PERONNE

CITY VIRTUALLY ENCIRCLED BY ALLIED ARMIES WHO CONTINUE TO ADVANCE

FRENCH PENETRATE BETWEEN NOYON AND HAM AND ADVANCE RAPIDLY TOWARD CHAUNY RAILROAD CENTER

MT. KEMMEL REPORTED CAPTURED

By United Press

British troops have captured Mt. St. Que and are now one mile north of Peronne, it was learned this afternoon. The city is practically surrounded.

The French have advanced from east of the Ailette river and have reached the wood about one-half mile from Courcy-Le-Chateau.

In the north the British are reported to have occupied Kemmel Hill, the principal bulwark in the northwestern portion of the Flanders salient which the Germans captured months ago after one of the bloodiest battles of the war.

French troops are reported to be near both Guiscard and Chauny. An unconfirmed dispatch said that Guiscard had been taken. Americans operating with French forces have launched a big drive between the Ailette and the Aisne, smashing eastward along the northern bank of the Ailette simultaneously with a northward push toward Courcy-Le-Chateau. Senators whom General March talked with today in Washington view with significance the statements which they attributed to him, to the effect that Americans have been gradually withdrawn from British and French brigades. Practically all Americans are operating independently of their Allies. The purpose of the withdrawal has not been revealed. Many American officers, however, are known to be strongly in favor of a hard smash by the Americans along the line which is nearest the German border.

By John 'd Gandt

(United Press Staff Correspondent)

Paris, August 31, 4 p. m.—Pushing east of the Ailette river there is violent fighting. The enemy is unable to resist the Franco-American push. (This is the first intimation that American troops are fighting in this sector. The first Americans to enter the present Picardy drive are engaged about 4 miles to the southward.) The bridge head at Champs, 4 miles northwest of Courcy-le-Chateau has been consolidated. The French are near Folembray, 2 miles east of Champs. They are advancing northeast and are half encircling Courcy-le-Chateau. They have approached within one-half mile of the city.

By John 'd Gandt

(United Press Staff Correspondent)

Paris, August 31, 10.10 a. m.—French troops are reported in the vicinity of Guiscard, the important town lying about midway between Noyon and Ham. They are also approaching Chauny, the great railway center, 10 miles east of Noyon.

(By United Press)

London, Aug. 31.—British troops are advancing along practically the whole of the Flanders front, General Haig reported today. They have progressed from one to two miles on two fronts, one of nine miles and one of three miles. In the northern section the Granoutre-Bailleul railway station and Mont De Lille have been occupied. The British there are advancing from the vicinity of Kemmel Hill southward to near Neux-Berquin. Neuve Chapelle and Les Dren have been occupied and other sectors.

Australian troops are attacking in the direction west of Peronne and on the northern bank of the Somme. In the Arras region troops have occupied Eterpigny and are advancing along the Arras-Champagne road. British troops have made satisfactory progress north of the Scarpe in the past 24 hours, it was learned today.

They firmly held Flouvain and have occupied 1,000 yards of the German front lines north of Arleux-en-Gohelle.

GOOD CITIZEN DIES

Philip Marino died at his home on Daisy street at 4 o'clock this morning as the result of an illness of many months duration.

The deceased was a native of Italy and came to Clearfield some 18 years ago. He was a sober, industrious man and a good citizen at all times. He engaged in general contracting until of late years when his health began to fail and then engaged in the mercantile business. Establishing himself in a small general store opposite the Pennsylvania station he conducted same with some degree of success until compelled to retire on account of illness. He was upright in his dealings and possessed a wide acquaintance and many warm friends throughout this section.

He leaves to mourn the loss of a devoted husband and father, a widow and several children.

He was a devout member of St. Francis Catholic church and his funeral will be held from that church Tuesday morning at 9 o'clock. Interment in Hillcrest cemetery.

ARRIVED OVERSEAS

Daniel Barger of the Third ward has received a card from his son Ernest C Barger which stated that he had arrived safely overseas He is in the quarter master's department of the U. S army.

COAL PRODUCTION IN THIS DISTRICT WAS INCREASED

Prouction in Central Pennsylvania for the week ending August 24th was increased by 90,331 tons. Production for the week ending August 17th was 1,215,744 tons and for the week endinf August 24th 1,306,075 tons.

The campaign to increase production in Central Pennsylvania is developing in splendid shape and the miners and operators everywhere are appointing their committees to represent the fuel administration at each colliery.

Mr. O'Neill and Mr. Barrett, production manager and assistant production manager, are meeting with splendid cooperation from thousands of miners and nearly all of the operators. They are meeting with a little opposition from the pro-German and the I. W. W. elements in a few sections. This is to be expected for this element has endeavored to obstruct the government in every manner possible since the war began. It is expected as the campaign is organized and developed that the miners and operators working loyally for their government to assist their sons and brothers in France, will be able to learn who this class among the miners and operators is, and after the proper evidence has been secured the department of justice will take hold of the matter and deal with these traitors in the same manner as they have dealt with them in other industries.

The loyalty of the industry cannot be questioned except in these few isolated instances. The remarkable showing last week was the best testimonia of loyalty and patriotism of the great rank and file of miners and operators.

The car situation has improved in Central Pennsylvania and adjustments have been made in a number of instances where mines with an inequitable distribution of cars as against other mines in that vicinity has been adjusted to the satisfaction of everybody.

HUNS BOMB RED CROSS TRAIN

Washington, Aug. 31—Bombing of a hospital train of 16 cars by German aeroplanes near the Belgian frontier was reported in Red Cross cables received today. Many of the doctors and nurses lost all their personal belongings and in many cases their surgical and medical kits. The latter were immediately replaced by the Red Cross. No mention was made in the cable of casualties.

ABUSE OF CREDIT IS SUBJECT OF CIRCULAR LETTER

New York, Aug. 31—A request that merchants and manufacturers reduce their credit requirements during the war was made in a circular letter issued by the Federal Reserve bank of New York today. It suggests:

That merchants and manufacturers not over buy;

That they carry as small stocks as possibe;

That they postpone new construction and business expansion;

That they practice business economy and that individuals practice rigid economy and thus assist merchants and manufacturers.

Banks are asked to save their credit "which means that customers must use less of it." "Saving to reduce loans," the circular says, is as patriotic a service as saving to buy Liberty Bonds and War Savings Stamps.

COMMUNION SERVICES AT 11TH STREET M. E. CHURCH

Communion services will be held at the Eleventh street Methodist Episcopal church tomorrow morning at 10 30 o'clock.

By United Press

Paris, August 31.—Violent artillery fighting between the Ailette and the Aisne where Americans are fighting and along the Northern canal was reported by the French war office today. There was sharp artillery fighting last night in the North Canal region and between the Ailette and the Aisne, the communique said. German raids in the Champaigne region were unsuccessful.

LIEUT. GEO. B. KIRK INVALIDED HOME FROM FRANCE

Lieutenant George B. Kirk, the Kylertown physician who was one of the first of Clearfield county's physicians to volunteer for service in France, is now at home on thirty days' "sick leave" incapacitated thru eight months of intensive service at the front, returning by transport in just fourteen days after he left France. While Dr. Kirk will not be retained in thee sevice in this country during the period of the war if his health is restored sufficiently to stand the strain of army work, otherwise he will be retired or discharged from the service. Lieutenant Kirk prizes beyond measure letters of commendation of his excellent services, given by his superior officers. Living in a community having two physicians where he felt that one could do the work for the time being and keenly realizing the great need of physicians in France, Lieutenant Kirk hastened to volunteer a year ago, spent four months in the camps of this country and then left with an Army ambulance Corps for France. The measure of his patriotic impulse may be realized when it is known that a wife and four children were left behind him.

FRACTURED HIS KNEE CAP

William Waring a long time faithful employe of the Gearhart & Wrigley planing mill fell this morning and fractured his knee cap by a fall at the mill this morning.

Dr. Wilson was called and had the injured man taken at once to the Clearfield hospital where the fracture, which is a particularly severe one was reduced and the patient made as comfortable as possible.

Mr. Waring is in his 80th year and on account of his age the injury is regarded as quite serious.

WILL MAKE IT HOT FOR THE SHIRKERS

Harrisburg, Aug. 31—"I am going to make it hotter for the shirkers at home than our soldiers are making it for the Hun on the western front," said State Employment Director Jacob Lightner today in a letter to Mayors and Burgesses in 44 central counties of Pennsylvania. The Burgesses and Mayors in the principal towns in these counties are asked to send to Lgihtner the names of those chronically disinclined to labor. They will send every man a letter urging him to go to work. Later a Federal agent will look him up to see what he is doing.

FAREWELL PARTY TO NURSES LAST NIGHT

Mr. and Mrs Al Cowdrick, whose daughter Mae is one of the number, gave a farewell party to the four army nurses who volunteered their services to their Uncle Sammy and leave tomorrow for the Base Hospital at Azalea, North Carolina for brief preliminary instruction before sailing for army duty in France. The handsome Cowdrick home on South Second street was handsomely decorated for the occasion in red, white and blue, "old Glory" occupying the honor place throughout.

It was a particularly happy occasion and was enjoyed by the young ladies and their friends present. Delicious refreshments were served and at the conclusion of the affair all departed for their homes after congratulating the four young ladies on their patriotism and wishing them Godspeed on their journey to new adventures and a safe return home when their mission is accomplished.

IMPORTANT COMMITTEE APPOINTMENT

Samuel Toney, Nichola Maiale, Charley Michell and Joseph Natoli have been named by the local Selective Service Board as a committee of assistants to the different registration boards of the county in locating and registering under the new draft law all Italian citizens and aliens of Italian birth.

This committee received their authorization yesterday and will begin their work at once and expect to have every Italian properly registered when registration day arrives.

PRESIDENT SIGNS NEW DRAFT LAW REGISTER SEPT. 12

Washington, Aug. 31.—President Wilson today set September 12 as the day upon which thirteen million Americans shall register for America's greatest draft. This assurance to prepare for service includes all males between the ages of 18 to 45 inclusive excepting those who have previously registered. Out of this great reservoir it is estimated about 2,300,000 men will be available for Class 1, the first to be called to arms. Some of these will be called as early as October 1st, as some officials estimate that the present Class 1 will be depleted then. The President's proclamation today was issued immediately after he had signed the great Man-Power Bill, thus making a law the bill which is counted on delivering America's victory army to France by next July.

This draft includes all who have not reached their 46th birthday by September 12.

Would there have been any one at your church on last Sunday evening if all would have been like you? Think.

A joint birthday party was held at the home of Mr. and Mrs. C. I. Wolfe on Wednesday, August 28th in honor of the latter's mother, Mrs. James K. Turner, and Mrs. R. W. Francis. Many out of town guests helped share this happy event. We hope these two ladies will both live to see many more of these yearly occurances.

KARTHAUS YOUNG LADY SUCCUMBS TO PNEUMONIA

Miss Helen, the beleoved daughter of Mr. and Mrs. J. S. Briel of Karthaus, passed away at the Clearfield hospital at 10:30 o'clock last evening following a week's strenuous battle with death.

Miss Briel underwent a serious operation on Monday last and appeared to be getting along finely until Wednesday evening when she suddenly collapsed and since that time had been hovering between life and death. On Friday bronchial pneumonia developed and the weakened system being unable to withstand the devastating inroads of the diseaese, the end came peacefully at the time stated.

The deceased was an exceptionally bright and amiable young lady, whose charming manner and winning personality made staunch friends of all who knew her, while she was the especial pride and joy of her parents and brothers and sisters.

She but recenty rturned from St. Joseph's convent at Titusvillee, where she was an honor student and general favorite. In addition to her feminine charms and accomplishments the deceased was an athlete and devoted much time to outdoor life and sports.

She was the youngest of a large family and her untimely death just as life, with its vast possibities was opening for her, comes as a heart-crushing blow to her loved ones, who have the sympathy of their large circle of friends in their sorrow. She was a devoted member of the Catholic church and passed out of life into eternity fortified with all the rites and consolations of her church.

She is survived by her parents, six sisters and two brothers.

The funeral will be held at the Frenchville Catholic church Tuesday morning at 10 o'clock. Interment at Frenchville.

A BRITISH VETERAN CHIEF SPEAKER AT PARK ON LABOR DAY

The Chairman of the Four Minute Men for Clearfield County, Joseph E. Phillips, has received the following telegram from the state secretary.

"Captain Vint of the British artillery will speak at Clearfield for your Labor Day celebration. Captain Vint is a fine speaker and has just completed a speaking tour through the southern part of the United States. He saw three years active service on the western front."

Thus Clearfield's Labor Day celebration will be a real event and Captain Vint will certainly give everybody their money's worth.

One of the chief features on Labor Day at the Clearfield Driving Park will be the exercises attendant on the flag raising. A flag pole towering one hundred feet in the air has been erected and a flag will be raised to the top during the afternoon with appropriate exercises. The chief speaker will be a returned United States soldier who is being sent here for the occasion by the State headquarters of the speakers' bureau connected with the Council of National Defense. This Yank, who has been through the mill over there, has a story to tell which all patriotic Americans should hear and everybody should make it a point to be present Monday afternoon and hear this address.

In addition to the soldier speaker other capable speakers will also address the audience.

The motor cycle races, band concerts and many other features will also be a part of the afternoon's program. Don't miss it.

Several speakers of national prominence are to be heard today at the second day's sessions of the American Bar Association convention at Cleve-

NURSES' FAREWELL RECEPTION TONIGHT

The following program will be carried out at the farewell reception to be tendered the four Red Cross nurses and three selective service registrants at the court house this evening beginning at 8 o'clock:

Invocation: Mrs. A. B. Weaver
Singing of "The Star Spangled Banner" by the audience, led by the Liberty chorus.
Address, Mrs. A. H. Woodward
Solo "Here's to the Red Cross Nurse, The Angel of No Man's Land" by Mrs. E. C. Reeve.
Roll call
Song by the Liberty Chorus

All the members of the Surgical Dressings committee are requested to meet in uniform at the Red Cross headquarters in the Murray building at 7:45 p. m. sharp for the purpose of attending the reception in a body.

Every member should consider it their patriotic duty to be present on this occasion.

In actual number of nurses enrolled with the Red Cross since the United States entered the War, the States of New York, New Jersey and Connecticut led on August 1st, according to a statement just issued from American Red Cross Headquartrs. These three states, constituting the Atlantic Division of the Red Cross, has assigned to war duty 2,600 nurses or 45 per cent of their allotment of 5.708 nurses by January. To supply their full quota of 27,000 nurses which the Red Cross is Endeavoring to recruit by the end of the year, these three states in the next four and a half months must enroll 3,108 additional graduates of recognized training schools for nurses.

The total number of war nurses assigned by the Red Cross to war service from the time the United States entered the war until August 1st, was 13,247. The Red Cross is conducting intensive nurse recruiting campaigns throughout the United States to secuer for Surgeon General Gorgas 8,000 additional nurses by the 1st of October and the remainder of the 27,000 before the New Year.

Pennsylvania's allotment of nurses is 2154. Of this number there were assignments reported up to August 1st of 302 or 60 per cent. of the required number. Thus it will be seen the Keystone state has thus far fallen 40 per cent. behind in this important particular.

SATURDAY EVENING, AUGUST 31, 1918.

WHY FIVE O'CLOCK

The committee in charge of the community flag raising for Clearfield have very wisely chosen September 28th for the event but a storm of protest is heard from every side over the hour set for the exercises. If the hour remains as set by the committee it is safe to predict that ninety per cent. of the peopleof Clearfield will be barred from attending. The hundreds of men in industrial plants will be unable to get around at that time. Housewives will be getting the evening meal ready and a thousand other little things will interfere with people getting out at that time.

We venture to say that there is not a person in Clearfield who does not look forward with pleasure to being present to take part in this event and while it is impossible to set an hour that will be entirely suitable to everybody it would seem that there could be an hour set that will be suitable to more people. We will grant that it will be hard to select a suitable hour on Saturday evening, as the stores will be open and the hundreds of store keepers, clerks, etc., will be unable to get out before nine o'clock but as it will be a simple matter to light the public square, why not have it at nine o'clock so that everybody can be there.

The great Fourth Liberty Loan starts on that date. Let us have this flag raising at such an hour that every man, woman and child in Clearfield can start the great campaign rolling.

THE ORIGIN OF ROAST PIG

A large percentage of us remember the old Fourth Reader story of the origin of roast pig but for the benefit of those who never read that story we might preface our further remarks by reciting a synopsis of the story. The scene is China; the principals are father, son and a pig in a burning building which housed the Chinese family and the family pig. While the father was bemoaning the loss of his burned hut, the curious little Chinee poked his fingers into the smoldering embers and accidently came in contact with the burned pig now nicely roasted amid the straw on which he laid. Now we all know the natural bent of a youngster and that natural bent brought him to a realization of the delicacy of roast pig and his discovery has been handed down to the present generation.

Now, had that little Chinee lived in the vicinity of the dumping ground between the B. R. & P. tracks and the river at Market street, we have no doubt that his delicatessan discoveries would have been voluminous enough to fill a modern edition of a bride's cookbook, for judging from the odors coming from the burning refuse there is enough food, according to the Chinese custom, going to waste there to make buillion cubes for the supply of the world, to say nothing of concentrated soups of the Campbell and Heinz varieties.

The Progress cannot and does not pretend to exercise poilce powers over our city but it is glad to voice the complaints of the citizens of the city and complaints have been very frequently made about this condition to which we refer. The signs recently posted on the grounds have not had the desired effect. Only last night somebody dumped a bushel or two of rotten tomatoes there to stink and burn to the torment of the people having beautiful homes on the terraces above. People coming to our town over the B. R. & P. should not have to wear a gas mask to get through those fumes and nauseous odors. A complaint is to be made to council on Monday evening at their regular meeting and meanwhile those who have thoughtlessly been polluting the air with these rots and spots should be hunted out and persecuted.

"THE LAND OF LETS PRETEND" ABOUT READY FOR SHOWING

Colorful, tuneful, joyous and delightful, teeming with beauty, laughter and vivacity a quick succession of novelties and surprises of the sort that picks up an audience and carries it with every action is "The Land of Lets Pretend".

While music and dancing are leading features of this big musical revue, that lacks a great deal of being all there is to it. You would not think so if you saw the massive settings and the variety of entertaining features that make up a wonderfully entertaining program of satisfactory duration. You can also realize that "The Land of Lets Pretend" is a big show from the number of people taking part, including many local favorites known to the theatre going public of Clearfield which assures this magnificent revue a splendid reception and capacity audience at the Driggs' Theatre when it is presented in the middle of September. And capacity audiences will no doubt be on hand and they will undoubtedly find the entire production far superior to any local entertainment ever given in Clearfield. It is certainly in a class by itself; it is really hard to know where to start writing about this big production.

15-Piece Orchestra

An orchestra of fiftee npicked musicians will render the tuneful score of the revue. There are also solo dances, singing and dancing specialties, and an ensemble of over 200 concerned in the making of this revue, so it must be far ahead of the ordinary local entertainments given here. It is a great big musical comedy, a vaudeville show and a beauty contest. Superlatives can be used without being superlatives. It is all that one can say for it, and the man or woman who cannot find in this revue something that is better than anything else ever seen here will surely be missing from among the firstnighters. One could go on writing of "The Land of Lets Pretend" to a length that is far beyond the bounds here permitted and yet not say enough of the production, of the beautiful girls, the lively characteristics of the whole troupe, of the songs, and of the hundred of other things that seem to be crowded into the space of two acts. It is too hard in this short space to select all the members of this big company who are deserving of mention, but from time to time the names of those participating will be published.

At New Driggs Theatre

In short the keen appreciation of Americans for the success summed up and heartily expressed in the little phrase "make good"; and all those taking part in this production have delighted Clearfield theatre-goers with their acting, singing or dancing and no doubt a whole army corps of us will be on hand at the New Driggs Theatre to welcome our favorites once more and this time in a really, truly, splendid production. Do not confound the date of "The Land of Lets Pretend" with other theatrical offerings for this month.

Mr. Shuter Recommended

Owing to the fact that there has been a great deal of discussion pro and con relative to the Navy League's forthcoming home talent production to be given in September, it is only just to Mr. Shuter, the producer, to state that he has met us on every point and has put forth untiring efforts at rehearsals. The Navy League receives 60 per cent. of the gross intake and the entire proceeds derived from the advertising space sold in the programme and all monies derived from the selling of the programmes, this should total over 75 per cent. in all. Before we engaged Mr. Shuter we made careful inquiries regarding his responsibility. In Philipsburg Mr. Shuter was first engaged to stage "The Liberty Minstrels" and it was such a success from every standpoint he was approached and a contract entered into to produce "Hello Uncle Sam". The Philipsburg committee who had charge of the latter informed me that they were perfectly satisfied with the production and monies derived; that it was the best one ever given in Philipsburg and that Mr. Shuter "was a gentleman of the highest caliber in every respect and an expert in his line such as is rarely found". We also quote an open letter from "The Sunshine Society" of Altoona, where Mr. Shuter recently produced his "Hello Uncle Sam" with marked success.

COMMITTEE.

TO WHOM IT MAY CONCERN:

I take great pleasure in recommending the bearer, Mr. Mortimer Shuter, to any society, lodge or organization of any kind who may be in need of funds with which to carry on its work.

Recently our society was fortunate enough to secure Mr. Shuter to put on a Home Talene—A Musical and Patriotic Revue—entitled "Hello Uncle Sam". We played it, in our best theatre, for three consecutive nights to capacity houses. It made a decided hit and we were more than gratified with the splendid results.

We found Mr. Shuter to be thoroughly honorable, honest and conscientious and I earnestly commend to anyone interested in his line of work.

NEWS OF OUR NEIGHBORS

CURWENSVILLE

A little son of Earnest Post, who was operated on at the Clearfield hospital early in the week for adenoids, is getting along finely and will soon be well again.

Chas. Wall is having erected on the end of his Thompson street lot a handsome and convenient white brick garage.

It was reported that Mrs. Robert Shaffer was taken to Clearfield hospital last evening for an operation.

Curwensville merchants have agreed to close their places of business from 12 o'clock noon until 6 o'clock p. m. on Monday, Labor Day.

S. C. Kirk, who has been employed as a bookkeeper at the Bickford fire clay plant, has resigned and has accepted a position with the Hiram Schwank Co., operating at Irvona.

Rev. S. C. Watts was unanimously chosen president of the Clearfield County Sabbath school association held at Houtzdale this week. Mrs. S. C. Watts, his wife, was elected to the office of corresponding secretary.

It seems to many who have observed it, that if a lot of farmers who spend most of their time in town peddling roasting ears and apples, would stay at home and get in their crops, there would not be such a hue and cry about scarcity of farm labor.

Curwensville Liberty chorus are preparing to give a concert, the proceeds of which will be turned over to the Red Cross.

Robert Russell and George Whittaker went over to DuBois to bid farewell to Edwin Hoyes who was among the recent contingent who left for Camp Lee. His father remained with his son until the last hour.

Mrs. James Reid, of Bloomington, was the guest of Mrs. J. G. Fullerton Thursday.

A daughter was born to Mr. and Mrs. Dewey Hummel at their home on Bloomington avenue Tuesday evening, August 27.

Mrs. Chas. Anderson and daughter Miss Louisa, were shoppers in Clearfield Tuesday.

Mr. and Mrs. J. G. Fullerton were guests in the home of Mrs. D. E. Reid, yesterday, the latter named being a sister of Mrs. Fullerton.

Ellis Cook, who has been driving the large ice motor truck for Alonzo Ammerman, resigned his position yesterday. Ice patrons will surely miss his genial good morning smile along his route.

Mrs. Ned Bloom and two daughters, of New Bethlehem, Pa., are visiting in the home of Mrs. Bloom's parents, Mr. and Mrs. George Fleming, on Bloomington avenue.

Mrs. Penbose, of Clearfield, is spending a week in the home of her daughter, Mrs. Abe Reid, at Glen Richey.

Miss Margaret Evans has returned home after a brief visit with relatives at New Bethlehem.

Miss Priscilla Heath of Sandy Ridge, who spent some time with relatives on Bloomington avenue, returned to her home yesterday. She was accompanied by her girl friend, Miss Mary Ammerman, who will be her guest for a week or two.

Mr. and Mrs. Dave Reid, a son of James Reid, have gone to housekeeping in Glen Richey.

The new flag recently raised to the top of a high pole at Bloomington was almost entirely destroyed by the heavy storm of Thursday night. The main body of that emblem was torn in strips almost the entire length.

Mr. and Mrs. Schlappi who were summoned to New York state last week on account of the serious illness of Mr. Schloppi's brother, returned to their home here yesterday.

Mrs. James Spence has been a resident of Curwensville 48 years. She is now in her 80th year and is more spry on her feet than many women in the fifties. She can note and recall many changes in this town during her sojourn here, and she says that the present population is a new set of people entirely from the ones living here when she arrived.

The 31st annual reunion of the "Old Bucktail" regiment will be held at Warren on Monday and Tuesday, Sept. 16 and 17th.

Curwensville ball team will play at Clearfield on Monday. The Crescent band will also spend the day at the County seat.

Mr. and Mrs. Wm. Bunnell have received word of the safe arrival of their son, Clarence, over seas. Wm. E. Bunnell, another son, who has just finished an enlistment in the U. S. army, was recalled to the service, August 9th and is stationed at Camp McClelland, Ala., where he will be chief drill master.

Guy Forcey and son Thomas have returned home from a visit with relatives and friends in DuBois.

John Kratzer Post 184 G. A. R. contributed to the local Red Cross fund the sum of $15.

Twelve Tire Tests No. 10

This series of twelve tests is designed to take the uncertainty out of tire buying.

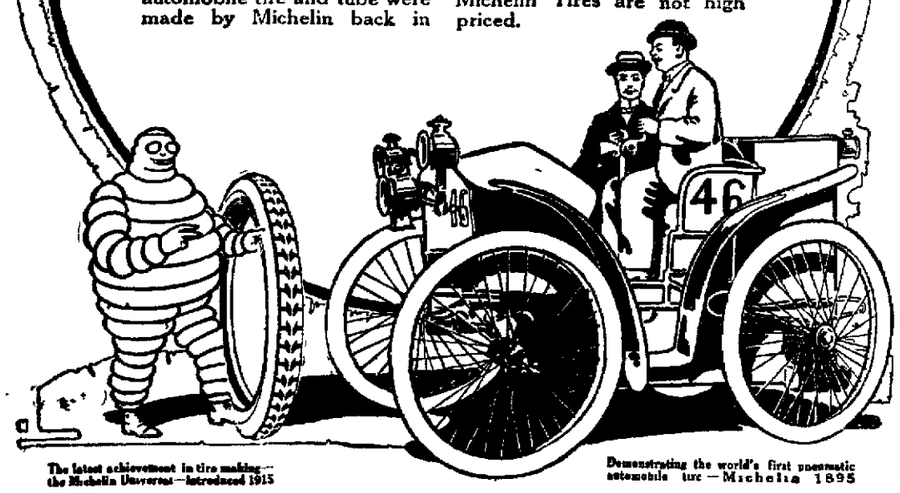
Experience

IN previous talks we have shown you that the durability of a tire depends on the quantity and quality of the materials used; and we have already shown you how to determine the **quantity.**

But you cannot gauge the **quality** of rubber and fabric in a tire simply by looking at it. You must be guided by the experience and reputation of the tire maker.

The world's first pneumatic automobile tire and tube were made by Michelin back in 1895. Since that time the House of Michelin (founded 1832) has concentrated on the production of pneumatic tires only, and today has factories in the United States, France, England and Italy, with selling branches in every corner of the world. Thus the scientific brains of the entire globe have been and are at Michelin's disposal.

More and Better Materials is the Michelin watchword Yet Michelin Tires are not high priced.



The latest achievement in tire making—the Michelin Universal—introduced 1915

SUNDAY SCHOOL LESSON

(By Rev. P. B FITZWATER, D. D., Teacher of English Bible in the Moody Bible Institute of Chicago.)

(Copyright, 1918, by Western Newspaper Union.)

LESSON FOR SEPTEMBER 1

SOME LAWS OF THE KINGDOM OF GOD.

LESSON TEXTS—Luke 6 30-38, 21 1-4.

GOLDEN TEXT—Remember the words of the Lord Jesus, how he said, it is more blessed to give than to receive.—Acts 20. 35.

DEVOTIONAL READING—II Corinthians 9 6-15.

ADDITIONAL MATERIAL FOR TEACHERS—Luke 16 9, Romans 12 8; II Corinthians 9 6-15; Hebrews 13 16; Ezra 1: 2-4; I Chronicles 29 1-5.

The principles of ethics which shall prevail in the earth when Jesus Christ shall be king are entirely different from those of the world. The worldly spirit always inquires as to what gain will accrue from an action or service. Its policy is doing good for the sake of getting good. Those who have been made partakers of the divine nature, who are really subjects of the kingdom, do good because they have the nature and spirit of God, not because they expect something in return.

I. Give to Every Man That Asketh of Thee (v. 30).

This does not mean that any request that may be made by the idle, greedy and selfish should be granted. Only evil would result from such indiscriminate and unregulated giving. Such benevolence would foster idleness and selfishness. Oftentimes the worst thing you can do for a man is to give him money. The drunkard will only spend it for more drink; the gambler will continue his dissipation. The meaning then is, give to the one asking the thing which he needs. The man in poverty needs to be given a way to earn his living, rather than to be given money without the necessity of labor. There is that in the human heart which refuses charity, and cries out for a means to honestly gain a livelihood.

II. Of Him That Taketh Away Thy Goods, Ask Them Not Again (v. 30).

"Ask" here means demand. It doubtless forbids the forcible demanding of the return of that which has been taken from one.

III. Do to Other Men as You Would That They Should Do Unto You (vv. 31-34).

This ethic puts life's activities on the highest possible ground. He does not say, refrain from doing that which you would not like to be done to you, as even Confucius taught; but to positively make the rule of your life the doing to others as you would wish them to do unto you. Loving those who love us, doing good to those who do good to us, and lending to those from whom we hope to receive, is just what all the sinners of the world are doing. The child of the kingdom of Christ is to be different.

IV. Love Your Enemies (v. 35).

That which is natural to the human heart is to hate the enemy. To love in the real sense means to sincerely desire the good of even one's enemy and willingness to do anything possible to bring that good. Such action is only possible to those who have been born again. Christ loved those who hated him. He was willing even to die for his enemies.

V. Lend, Hoping for Nothing Again (v. 35).

This is what the Heavenly Father is constantly doing. He is kind and gracious unto the unthankful and the wicked. He sends his rain and sunshine upon the unjust and sinners. He makes fruitful the toil of those who blaspheme his name. He thus does because it is his nature to so do.

VI. Be Merciful (v. 36).

The example for the imitation of the disciple is the Heavenly Father.

VII. Judge Not (v. 37).

To judge does not mean the placing of just estimates upon men's actions and lives, for, "By their fruits ye shall know them." The tree is judged by the fruit it bears. The thorn tree does not bear figs, nor the apple tree bear grapes. Our only way of discerning the character of men and women is their actions. That which is condemned is censorious judgment—the impugning of motives.

VIII. Condemn Not (v. 37).

This means that we should not pass sentence upon men for their acts, for to their own master they stand or fall (Rom. 14 4). The real reason why such action is not warranted is that the bias of our hearts and the limitation of our judgments render it impossible to righteously and intelligently pass judgment.

IX. Forgive (v. 37.)

Those who forgive shall be forgiven. The one who has realized the forgiving mercy of God will be gracious and forgiving toward others.

XI. Liberality Determined by What Is Left (Luke 21:1-4).

The rich cast into the treasury much, but it was from their abundance. The poor widow cast in all that she had; there was nothing left. God estimates a gift by what one has left, not by the size of the gift. To give the widow's mite is to give all. For the millionaire to give the widow's mite would mean for him to give his millions.

Genius and Taste.

To say nothing of its holiness or authority the Bible contains more specimens of genius and taste than any other volume in existence.—Landor.

Increased interest in the raising of Belgian hares and other rabbits is noted throughout the state.

Special Opening Display of The New Fall Dresses .....Saturday.....

Slender, Graceful Lines and The Extreme Length of Skirts Are The Dominating Feature of The New Fall Dresses

The silhouette is again the favored feature among the Fall dress styles and this will unquestionably appeal to every woman. Aside from this, the extreme length of the skirt, which in many cases are but three to four inches from the ground and rarely or ever higher than six inches from the ground, is entirely NEW.

Probably one other feature of the new dresses that will strike you immediately is the fact that few, if any, have collars. As a matter of fact, the neckline is cut severely plain.

The sleeves are wide and loose, while the trimmings are silk, cloth embroidery and fringe, as well as buttons, braid, bead embroidery and lace.

Satins are undoubtedly the most popular of the favored materials used, while in the dresses made of cloth, navy blue is, of course, predominant.

..THIS SUPERIOR COLLECTION OF NEW SERGE.. DRESSES AT $19.75

Four of the newest styles to select from. The serge is of an unusually superior quality, in a belted model and has braided sleeves. The waist has a vestee effect as well as other ideas. The skirt in most cases is plaited and falls gracefully.

We shall not describe the other models. Why not come to the store and try them on?

Other serge dresses in the new Fall models at $22.50 to $55.00.

BEAUTIFUL NEW FALL SILK DRESSES FROM $17.50, $19.75, $22.50 up to $65.00

Handsome dresses of satin, georgette crepe and satin combinations, crepe meteor and crepe-de-chine. A splendid collection to cohose from.

JERSEY DRESSES FROM $17.50 to $47.50

Jersey dresses are very popular this season, a wonderful collection are shown here in all the new plain shades.
